Foreword

Wordsworth once wrote, "The music in my heart I bore, long after it was heard no more." So it is with us high school students; we do our daily tasks with the popular songs of the present on our tongues, but bearing in our hearts the lingering melodies of yesteryear.

That "Music is the universal language of mankind" is irrefutable. Deep Purple, Clair De Lune, Stardust, or the latest dance version of The Gypsy all have their definite places and associations in our hearts and lives. When the gang gets together for a party, or we go for a walk, it does not take long for our favorite songs to come to the foreground with the cup of individual expression running over; be the gang from "Oklahoma" or "Deep In The Heart of Texas."

It was with these thoughts that The Nordlys staff selected "Favorite Songs" for the theme of this year's book, observing the school's Tenth Anniversary.

Counsellors

To listen, to encourage, to aid, or to counsel—that is the privilege of each member of the counselling staff of Northeast High School. In order to give each student understanding of the many factors that contribute to a better American way of living, the program of Unified Studies has been developed this year.

Student Council, pep meeting, safety education, employment problems, auditorium programs, special speakers, visual education, occupational study, and other group activities form a part of the day's schedule in the life of each counsellor.

Each teacher is a counsellor to the students in his or her particular group, but general counselling for both individuals, pupils, and groups has been the work of each counselling staff member. To provide such opportunities for growth is the privilege of a counsellor's assignment.

Student Council Officers for 1946-1947

SECOND SEMESTER OFFICERS, JUNIOR HIGH: Herbert Walker, secretary; Richard "Skeet" Gifford, vice-president; Jeannie McNeill, president.
SENIOR HIGH: Lou Ann Cunningham, treasurer; Joe Young, vice-president; Kenneth Vaughn, president.
FIRST SEMESTER OFFICERS, SENIOR HIGH: Grace Lindley, president; Nell Reints, secretary (also vice-president for second semester); Milton Johnson, treasurer; Larry Hedinger, president of junior high.

Council Activities

The Student Council was organized in 1937 with Miss Josephine Bell as the first sponsor. This year the Council has two sponsors, Miss Sue Harrod, who works with the junior high students, and Mr. J. A. Wiles, who works with the senior high.

The Council has had the full support of the student body in organizing the hall proctors, a group of boys and girls who help speed up "traffic" in Northeast's busy corridors. Pictures on the activity pages of the Nordlys are scenes that prove the success of the Mixers. The idea of actual student government is carried out at the polls on election day for Student Council officers.

The record-player, which the Council bought this year, has furnished needed entertainment during the crowded lunch period. Rumors of pins for council members have been flying about.

Norsemen, Norkets, and Band Frat selected pledges, poor souls.

OCTOBER

Eye tests were given to the students. We lost to Classen. National Aviation Week; Air Clinic at the Capitol. Shirley Folmar was crowned Band Queen during St. Gregory game; we won, 40-0. Speech Tournament. P-TA night meeting. A Bonfire in Norsemen Hollow introduced Football Queen Candidates. Hallowe'en brought the Foster Homecoming game; Billie Ann Henry was crowned Football Queen by Captain Kenny Vaughn.

NOVEMBER

A cappella choir sang with the Symphony. Dolores Willard was chosen Band Frat Sweetheart. We lost to Putnam City. Some of the steadies were still going steady. Honor Society initiated 20; Benny Reaves, president. Sadie Hawkins Day; Archie Kautz and Don Roberts were voted "Most Eligible Bachelors." Pan American became National. The Norsemen Pep club announced their Sweetheart—Grace Lindley. "Father and Son" week; Archie Kautz, Benny Reaves, Bobby Scranton, Don Roberts, and Joe Young served. The All-School Play. Cliff Sherrod and Shirley Folmar were selected to lead the "Oklahoma!" parade, which was cancelled because of the weather.

DECEMBER

Everyone had fun at the Pan American party. We won our first basketball game from Edmond. The Junior High sponsored a mixer. The Football Banquet was held in the Venetian room at the Y. Benny Reaves was selected for the All-State team. G. R. had their Christmas party and dance; Dolores Willard was elected president. We played Capitol Hill and lost. Back to our school daze. Pep assembly, but we lost to Classen and Anadarko. The Nordlys assembly; Bill Dane and Elaine Lininger were crowned King and Queen of the yearbook; Grace Lindley officiated. The faculty chose Doris Steffee Junior Altrusa member. Sara Skinner was hostess to a Quill and Scroll party in her home in Twin Hills. Semester ended with the purchase of a Record Player by the Council. Choir went to Stillwater while the first half of the yearbook went to press. The Norsemen elected officers: Bobby Baugh, Archie Kautz, Robert Davidson, James Holder, and Kenneth Simmons.

FEBRUARY

We lost to Chickasha (1 point). Dorothy Meeks was hostess to the Quill and Scroll party at her Guthrie cabin. At last!! The Senior rings arrived!! The seniors were completely happy. Kenneth Vaughn, senior high council president, and Jeannie McNeil, junior high president, were installed. Last pep assembly for the cheer leaders: Dolores Willard, Grace Lindley, Bobby Baugh, Kenneth Simmons, and alternate, Lindsey Crow. Buddy Legg was hurt and unable to play in the last game with Putnam City, an awful loss to the team (and the girls). The Black Skirts presented an assembly. Senior speakers were chosen by the senior class: Milton Johnson, Paul James, Grace Lindley, and Dorothy Bonnell; alternates, Elaine Lininger and Benny Reaves.

MARCH

The boys went on strike; they stopped shaving until the 15th. The basketball tournament was held, and the All-School play, "Night of January 16th," was presented by the play production class. G. R. had a "Kid Party" at the Y, and did the boys look cute? Yes! Ada was the meeting place for the speech tournament. Track, golf, and baseball started in full swing. Boxing tournaments were held after school. Congratulations to the winners. The Nordlys Staff rested after racing to meet the deadline, March 1.

APRIL

April Fool!!! Day, that is, was welcomed by many jokes(?) The G. R. sponsored the annual Pre-Easter services which were held in the morning. Getting to school so early was nothing to the band and choir members because they're here every morning at 8:00. The Easter assembly was enjoyed by all. The English department presented an assembly. The Norsemen had the annual dinner-dance for the basketball boys. The track meet was held. The G. R. spring dance for the senior girls was successful; the reason, Shirley Folmar was the chairman.

MAY

April showers bring May flowers, also it brought the spring musical directed by Miss Smith. Wonderful it was!! Awards assembly came next. And, of course, the senior girls' slumber party at Helen Baird's will never be forgotten, neither will DITCH DAY. The senior breakfast was out of this world. Here's to more Proms, they're perfect. And then—the unforgettable finals. The senior edition of the Scroll and The Nordlys came out. The Baccalaureate on Sunday afternoon, the 25th, the Commencement services Wednesday, 28th, and Junior High Promotion exercises will forever be remembered. And some of the steadies made it. School was closed May 30th for the summer vacation.

'Til The End of Time

Our highschool work is now all done,
We have enjoyed our schoolday's fun,
And we will remember what we've done
'Til the end of time.

We've had our trials and tribulations
We've had our school and our vacations,
And we'll think back with consolation
'Til the end of time.

We'll all go our separate ways,
To the inland and to the bays,
But we'll recall our Northeast days,
'Til the end of time.

Now we're leaving Northeast High,
But we'll recall, as time goes by,
And see these days in our mind's eye
'Til the end of time.

MILBERT VANDERGRIFF.

Readin', Writin',

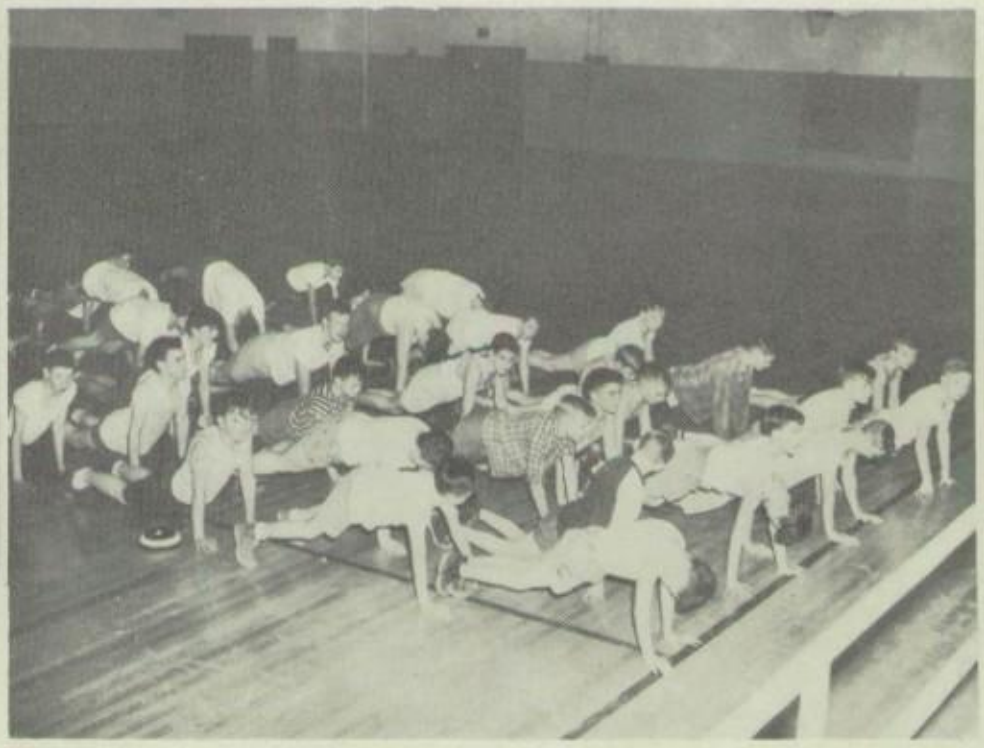
Foreign Language students are intrigued with their correspondence with other students in foreign lands. They receive letters from France, Spain, England, and Tunisia.

The vocal music classes have furnished many entertaining programs for Northeast assemblies and for town events. As this picture shows, these junior high pupils like their work.

The girls' physical education classes are doing fine work in building correct health habits among the students who participate in the daily games and contests.

English classes put their knowledge of English composition into good use by writing essays on some current topic of interest – in this case they are studying safety in driving.

In the above picture, you see a daily lesson in progress. These boys and girls are a part of Northeast's sixty-four-piece band which has played at various school activities.

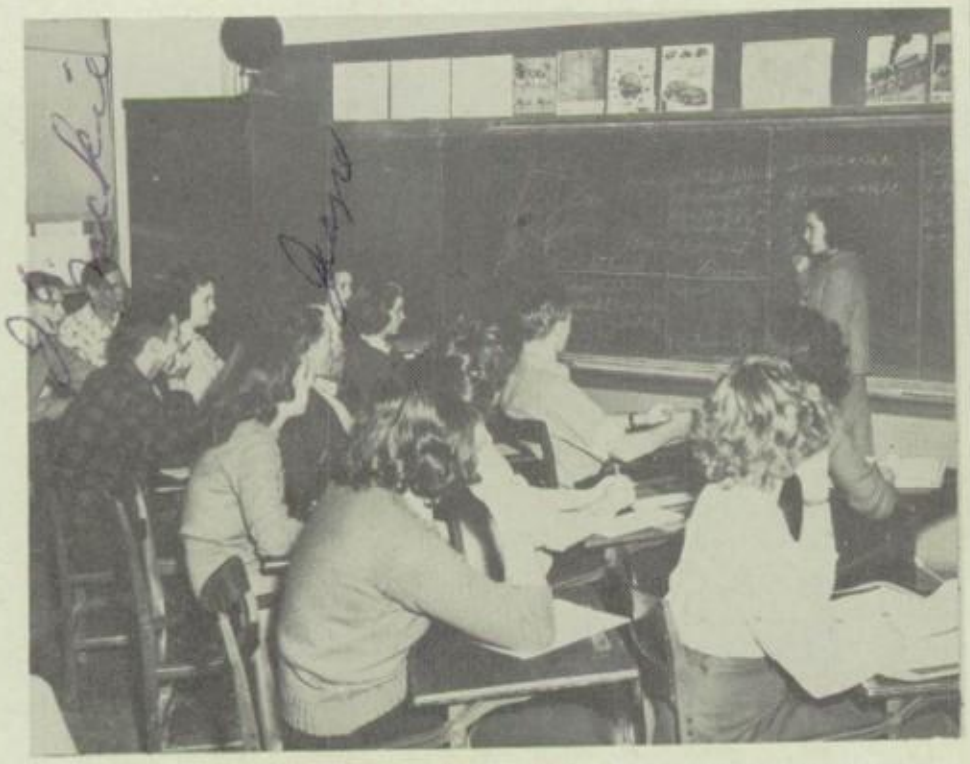


These boys are demonstrating one of the lessons planned by the physical education department for the purpose of building stronger, healthier bodies.

and 'Rithmetic

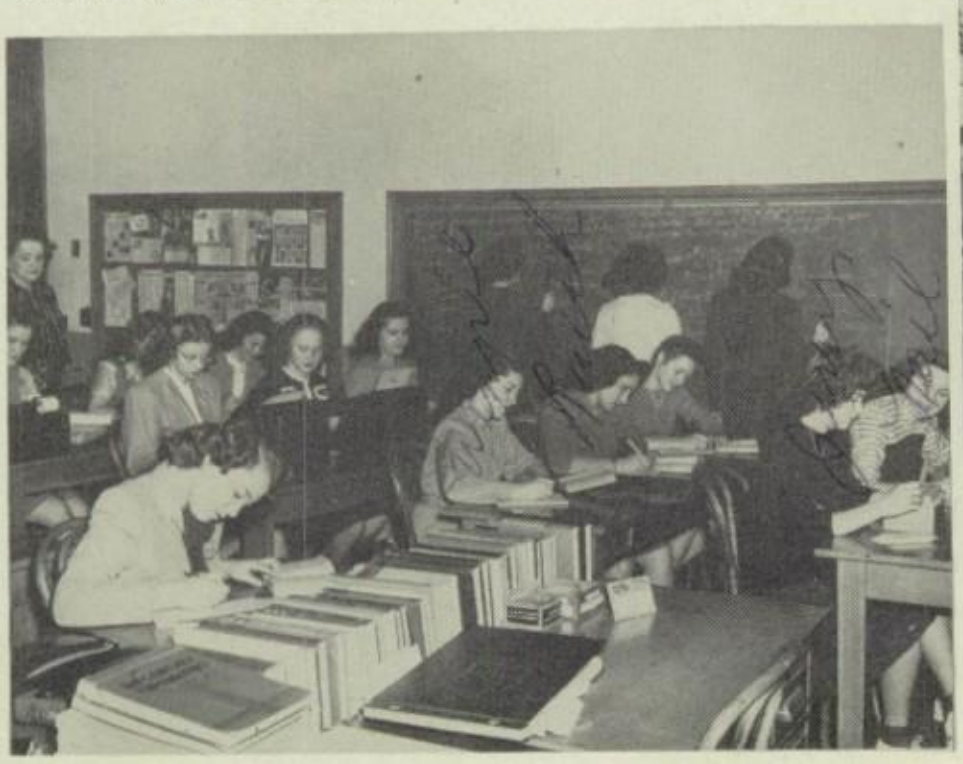
These boys are making actual pieces of furniture. In addition to the regular subjects taught in industrial departments, Northeast has a very popular class in plastics.

Note the thoughtful expressions on the faces of these boys as they solemnly consider some great scientific problem. After all, every discovery was first a dream in someone's mind.



The figure on the board is only one of many of the propositions worked out in mathematics classes. Remember those "challengers," you math students?

This looks like a sewing circle, but it really is a group of girls from the home making department relaxing after helping with one of those many luncheons.



Many students have gone directly from Northeast's commercial department into substantial positions in the business where they have won promotions and held them.

These future voters are giving serious consideration to world politics and international relations in their social studies classes.

Pictures of art, journalism, and speech departments may be found on other pages of The Nordlys.

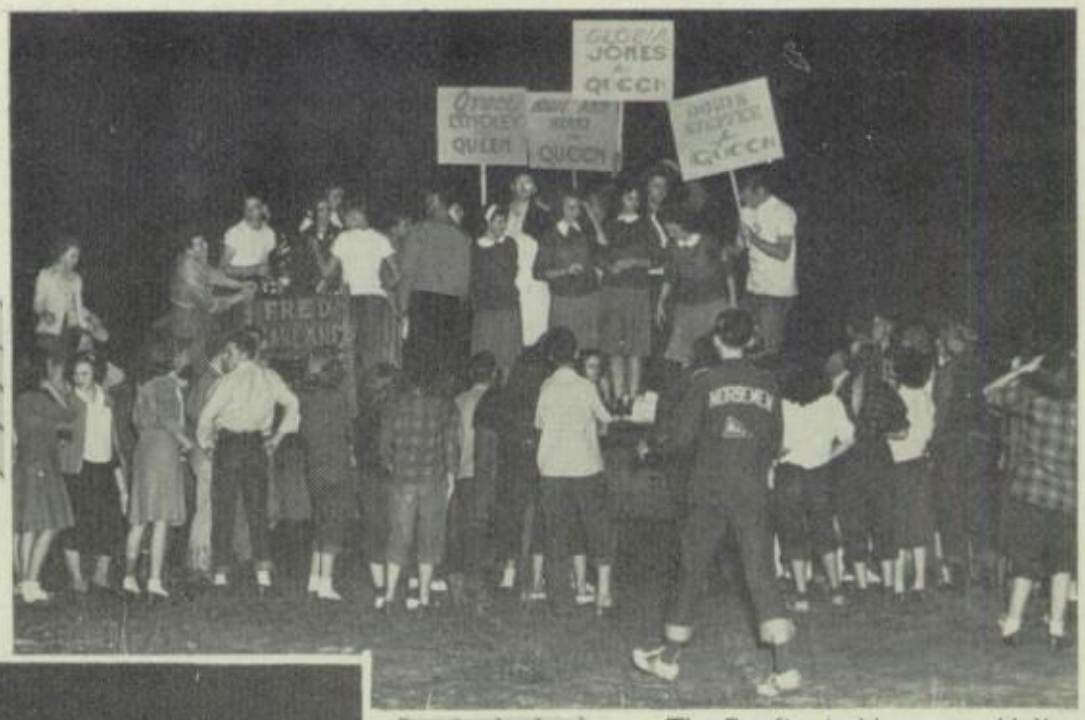
Football Season



The Bonfire in Norseman Hollow preceded the crowning of the football queen.

Coronation of the Football Queen at Half-time in Foster Game

Escorts: Ed Koch, Archie Kautz, Benny Reaves, Lester Wright, Captain Kenneth Vaughn and Queen Billie Ann Henry; Attendants: Doris Steffee, Grace Lindley, Gloria Jones.
P.S. We won the game, 33-13.

With one eye on the game and the other on the stands, Dolores and Grace led yells at the games during all of football season.

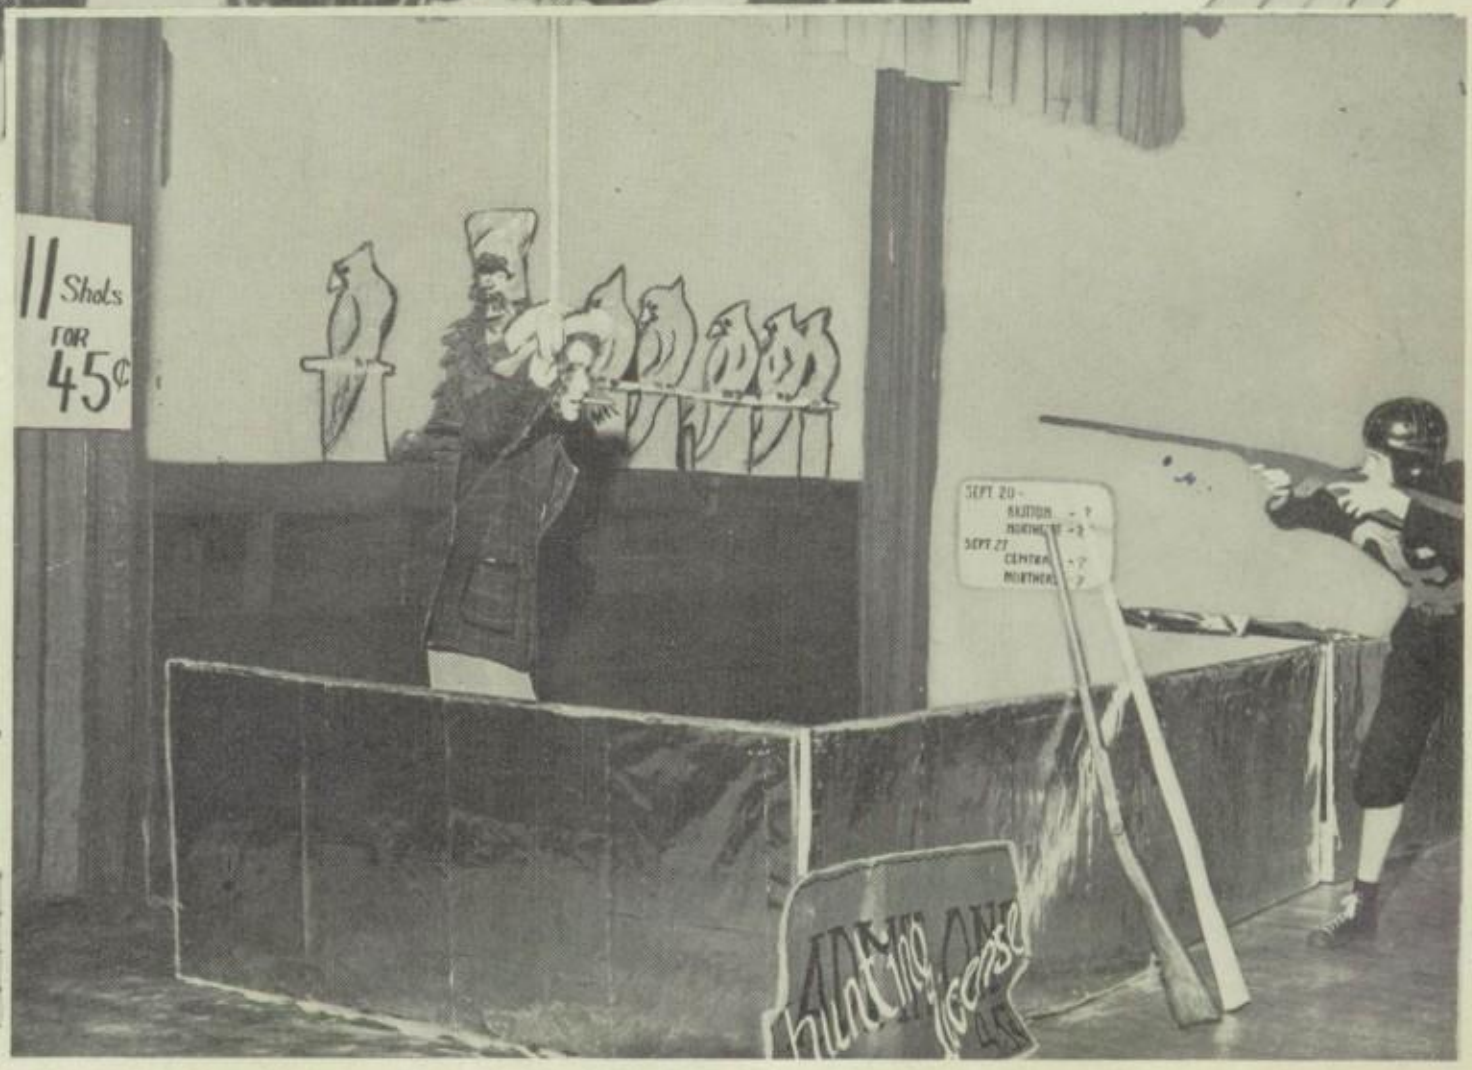
McManus and Busey give some pointers to the team between halves of the game.

Pep Assemblies

Cheerleaders
Kenneth Simmons, Bobby Baugh, Dolores Willard, Grace Lindley.

At the pep assemblies, hall rallies, and games, our cheer leaders were always in there doing a bang-up job of leading yells. They deserve a word of thanks and praise for keeping up our pep at the football and basketball games.

We were out to "coop up" the Chicks in the hall pep assembly before the Chickasha basketball game.



We were hunting for Redbirds in the pep assembly before the Central Cardinal football game.
